The programs do not prepare students to pass state-specific jurisprudence, law, or ethics examinations. More information on these types of exams can be found on the individual state websites. States vary on when supervision hours can begin, and in how many face-to-face and direct supervision hours are included in the total. The requirements listed above display a portion of the detail found on the individual board websites. Visit the appropriate state for a full list of requirements. Licensure rules can change frequently, visit the state sites for the most up to date information.
