

- 🍏 Start your job search early in the Fall semester
- 🍏 Explore career paths
- 🍏 Contact Career Services for assistance with your career documents and job search
- 🍏 Watch your Post student email for announcements of Career Services career competitions, events such as Interview Advice from Business Professionals and the Internship/Job Fair
- 🍏 Visit Career Services Facebook job board at Jobs & Internships
<https://www.facebook.com/PostUniversityCareerServices/>
- 🍏 Attend on-campus and off-campus job fairs to start networking and understand the process
- 🍏 Fine-tune your resume and LinkedIn Profile
- 🍏 Update and practice your Elevator Pitch
- 🍏 Complete an internship or two in your major
- 🍏 Research target organizations through the internet and your professional network
- 🍏 Ask professors, employers, and internship supervisors for letters of recommendation
- 🍏 Manage your internet brand, email name/closing, and phone message to represent the professional “you”
- 🍏 Consider creating an e-portfolio or career website
- 🍏 Expand your professional network

OUTCOMES

- ✓ Refresh your resume and LinkedIn profile to stay current
- ✓ Practice your interview skills and Elevator Pitch
- ✓ Secure a second internship or career related part time job
- ✓ Identify the various career paths in your major that are available and where to locate those jobs
- ✓ Fine-tune your job search plan
- ✓ Secure professional employment or graduate school admission
