

## HIGH SCHOOL ACADEMY

### High School Academy Student Agreement Form

Student Name: \_\_\_\_\_

Congratulations on applying to take courses at Post University through our High School Academy program. Accessing college courses while in high school provides you with a significant number of benefits. We are honored you have chosen to do so with us at Post University.

In each 3-credit course you will interact with your peers and Post University faculty members in engaging, challenging, college-level coursework. Courses may be taken through the 8-week accelerated online modality, 16-week classes taught at partnering high schools, or 16-week semester courses on Post University's scenic campus.

High School Academy courses are generously reduced to \$300 for each 3-credit course. Please note, Title IV student loans or grants may not be used as a source to pay for High School Academy courses.

#### Payment Authorization

**\*To be completed by parent/guardian if paying for the course**
