SECOND TESTING

All students who did not take a pre-arrival PCR test will take a second COVID-19 rapid test when you get to campus and before their first class.

Student Health Services will administer this test.

Student Health Services will administer tests in their East Annex Office on:
Sunday Jan 16 - NOON to 4 p.m.
Monday Jan 17 - 10 a.m. to 4 p.m.

Student Health Service administer tests in the Traurig Library on:
Tuesday, Jan 18 - 6:45 a.m. to NOON.
Wednesday, Jan 19 - 7 a.m. to NOON

Or, visit the Health Services Office in East Hall Annex any weekday between 9 a.m. and 5 p.m.

THE NAVICA APP - To obtain your on campus test, please download the NAVICA app. This will let you view your COVID-19 results electronically. When creating the account, please use your University email account. You can download the NAVICA app from the App Store or Google Play.

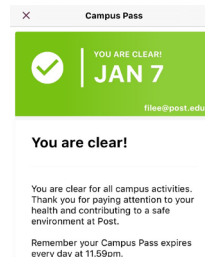

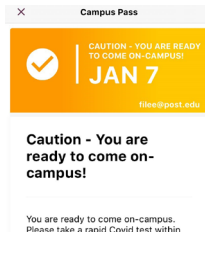

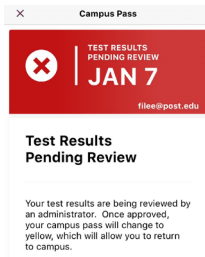

STUDENT ATHLETES - Your COVID-19 test will be done in groups by team. You will hear from the Athletics Department regarding your testing protocols.

MAIN CAMPUS MBA STUDENTS - Please get your test in Student Health Services during their normal office hours (9 a.m. – 5 p.m.) beginning January 10, 2022.

SYMPTOM TRACKER DURING TESTING - Your Daily Symptom tracker will begin in Red. The status will change to Yellow after Health Services approves your pre-arrival test. It will not move to Green until you receive a negative on-campus COVID test result. You MUST continue to use the symptom tracker daily and scan into classrooms.

PLEASE NOTE: Given the unpredictability of the variants, we will continue to consult with and follow the guidance of the CDC, the Connecticut Department of Health and state and local health officials. We will all need to be flexible and understand that as we continue to work in the best interest of the University community, there will likely be changes and updates. We also suggest that all students have plans in place should there be a need to return home for isolation, quarantining, etc.
