

BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION

MAKE A BOLD MOVE FOR YOUR BUSINESS FUTURE!

The Bachelor of Science in Business Administration from Post University is designed to help you develop the managerial and administrative skills you could use to run teams, departments, or organizations. This program emphasizes ethics, communication, the use of contemporary business decision-making tools, and consensus-building even as it explores all the basic business operations, from accounting and economics to management and marketing.

Post's BS in Business Administration is programmatically accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION

OFFERED ONLINE AND ON CAMPUS.

This bachelor's degree program covers the elements of running a successful organization, from fundamental concepts for economics, finance, management, and more to the personnel and departments that help make it all happen.
