

CORPORATE INNOVATION

BUILDING INNOVATION IS YOUR BUSINESS!

You want to do more than stand out from the crowd. You want to lead to new heights, better prospects, and true innovation. Pursue opportunities for business innovation with a Graduate Certificate in Corporate Innovation from Post University. Whether you are just entering the business arena or a seasoned professional, this program is designed to help you hone your abilities for a future in innovation leadership.

GRADUATE CERTIFICATE IN CORPORATE INNOVATION *OFFERED ONLINE.*

In this business innovation-focused certificate program, you will have the opportunity to develop skills in leading and managing organizations – profit, non-profit, public, private, or governmental – through innovation and change. The core curriculum for the 12-credit-hour program covers leadership and change management, sustaining innovation, financial tools for managing innovation, and the complexity involved in the innovation process. This program offers the insight and information you could use to unleash innovation, manage change, sustain innovation, assess emerging technologies, and propel your company toward success.
