

# ADVANCE YOUR OPPORTUNITIES FOR ROLES IN CRIMINAL JUSTICE!

Are you considering a future in criminal justice? Start with a program that can help you develop the foundational understanding of the world of criminal justice. Post University offers two degree programs that could help you cultivate the practical skills used by professionals in the field throughout the course of their careers. Let our programs for an Associate of Science in Criminal Justice or a Bachelor of Science in Criminal Justice help you explore what an education in this area could do for your future.

## PURSUE A FUTURE IN CRIMINAL JUSTICE

An education in criminal justice from Post University offers the skills, insights, and knowledge you could use to make a real difference in the world. Whether you choose to pursue an associate degree or a bachelor's, your education in criminal justice is designed to help explore a future in this field. Plus, our degree programs also offer opportunities to develop skills that transcend professions, such as communication, critical thinking, and decision making. Upon graduation, you will have had the opportunity to develop the tools you could use to make a lasting and positive impact on your community and your future.

## ASSOCIATE OF SCIENCE IN CRIMINAL JUSTICE

*OFFERED ONLINE AND ON-CAMPUS.*

Your program offers the opportunity to hone skills for report writing, fingerprinting, ballistic examination, and crime scene documentation. It also offers a better understanding of all areas of law enforcement, from the courts to corrections. Required courses for this 60-credit-hour program include Introduction to Criminal Justice, Introduction to Law Enforcement, and Criminal Law.

## BACHELOR OF SCIENCE IN CRIMINAL JUSTICE

*OFFERED ONLINE AND ON-CAMPUS.*

This bachelor's degree program extensively explores the fields of law enforcement and criminal justice. This 120-credit-hour program also offers six concentrations to help you customize your education to your future goals:

- **Law Enforcement**
- **Legal Studies**
- **Corrections**
- **Emergency Management & Homeland Security**
- **Correctional Counseling**
- **Crime Scene Investigation**
