FINANCE

PURSUE LEADERSHIP OPPORTUNITIES IN FINANCE!

Prepare for leadership opportunities in the world of finance by pursuing a Graduate Certificate in Finance from Post University. This 100% online post-graduate program covers what it takes to lead projects related to finance. In it, you will have the opportunity to build advanced skills for analyzing financial statements, identifying organizational risk, and managing financial portfolios –the skills you could use to pursue finance-related leadership roles throughout your company.

GRADUATE CERTIFICATE IN FINANCE

OFFERED ONLINE.

In this finance-focused certificate program, you will have the opportunity to explore public policy on financial principles, gain insights into investment management and organizational risk, and learn how to develop financial models to better inform the decision-making process. The curriculum for the 12-credit-hour graduate certificate covers financial tools for managers, statement analysis, organizational risk management, and investment management. These courses offer the insight and information you could use to pursue finance leadership roles in a variety of industries. Or you could use the skills, insights, and course credit gained in this program as a steppingstone toward your next educational and career-building achievement – an MBA program at Post University

Disclaimer: While this program is not designed to fulfill licensure requirements in an individual state, it may be used to partially fulfill licensure requirements. You are responsible for ensuring all requirements are met for any relevant licensures or certifications.
