BACHELOR OF SCIENCE IN FINANCE

PURSUE A BETTER BOTTOM LINE FOR YOUR CAREER

The Bachelor of Science in Finance from Post University could be an investment you could make for your future. Covering the essentials of finance, from financial strategy to financial planning, your program explores professional standards, finance fundamentals, business ethics, regulatory concepts, and more. It is designed to help you prepare for potential opportunities in business and finance.

Post's BS in Finance is programmatically accredited by the Accreditation Council for Business Schools and Programs (ACBSP)

BACHELOR OF SCIENCE IN FINANCE

OFFERED ONLINE AND ON CAMPUS.

This bachelor's degree in finance offers the insights, skills, and information you could use to analyze financial situations, forecast potential issues, and develop and implement solutions to help both businesses and private individuals achieve their finance-related objectives. The core curriculum for your 120-credit-hour bachelor's program blends business fundamentals with finance essentials in classes for financial accounting, corporate finance, macroeconomics, management, marketing, risk management, and more. You will also have the opportunity to customize your education to your goals with one of these five concentration options:

- **Business Finance**
- **Business Analytics (STEM/Master's)**
- **Financial Planning & Banking**
- **Fintech**
- **International Finance**

Disclaimer: While this program is not designed to fulfill licensure requirements in an individual state, it may be used to partially fulfill licensure requirements. You are responsible for ensuring all requirements are met for any relevant licensures or certifications.
